

# LONE TREE ARTS CENTER RESTAURANT PARTNER PROGRAM

## WHAT IS THE RESTAURANT PARTNER PROGRAM?

As a fixture in the southern metro community, the Lone Tree Arts Center strives to forge meaningful relationships with local businesses and create mutually beneficial partnerships that provide restaurants with exposure to new clientele and catering opportunities.

We are proud to offer multiple partnership opportunities and will work with local restaurants to determine the ideal fit for their size and business model.

### IN-KIND SPONSORSHIP

For single event collaboration, a restaurant provides a discount on food and/or beverages and receives generous recognition.

In exchange for a 20% discount on food or beverages provided for a Lone Tree Arts Center event or performance, we will:

- Feature your restaurant's logo on any print, website, or social media collateral promoting the event
- Feature your logo on prominent, scrolling digital signs in the LTAC lobby on the evening of the event
- Acknowledge your partnership in live announcements
- Provide the opportunity to display and distribute your own printed materials
- Feature a profile of your restaurant on LTAC's social media accounts

### RESTAURANT PARTNER PROGRAM \$1,500 PER SEASON

For any business seeking widespread company recognition as a Lone Tree Arts Center Restaurant Partner.

For a sponsorship cost of \$1,500 members of our Restaurant Partner program, will receive the following benefits:

- Feature your restaurant in a "Dining Options" section on the LTAC website homepage
- Feature your restaurant's logo in "Know Before You Go" emails prior to each ticketed event
- Feature your logo on prominent, scrolling digital signs in the LTAC lobby at each ticketed event
- Feature your restaurant at the \$1,500 level on the Partners and Supporters page of our website, and on the LTAC lobby Donor Wall, for one season
- Feature your restaurant in a half page advertisement in The View program book for a three-month period of your choosing
- Feature a profile of your restaurant on LTAC's social media accounts.
