# WHAT IS THE LONE TREE LEGACY SOCIETY?

Imagine a future where the arts continue to inspire and connect our community. You've already shown your commitment to this vision through your generous support, and now, you have the power to extend your impact far beyond the present.

When you inform us of your intention to remember the Lone Tree Arts Center in your estate planning, you become a member of the Lone Tree Legacy Society - a unique vehicle for recognizing donors for this extraordinary commitment.

By considering a planned gift to the Lone Tree Arts Center, you're not only nurturing the seeds of creativity for future generations but also joining a group of dedicated patrons who believe in the enduring value of the arts.

***“I chose to remember the Lone Tree Arts Center in my will because I want to make sure my children’s children have the same opportunities that I’ve had in our community.”***
